

A Way Toward Truth Persian Edition

By Mohammad Mosaddegh

Supreme Century. Paperback. Condition: New. 546 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. A wise and thoughtful person, leaving aside religious dogmatism and concerns, asked himself: What is the actual divine and monotheism religion? Is my religion superior and the most proper among others? Most people do not investigate about their religion and they usually believe in a hereditary religion which is achieved by knowledge and quotes of custodians of religions. Some people after a small survey, conclude that they have found the true way; whereas, unique creator possesses the key to truth. He conveys a droplet of immense truth to humans by indirect means and signals so that they believe the truth like an innocent child as Jesus Christ said. The author of the book, in bloom of his youth and middle age, after experiencing revelation, is pledged to a divine mission. He has explained true divine religion based on heard commands from the side of Moses and faithful and unitary priest who had revealed quiddity of holy books of monotheist religions. He has done this as a result of research and investigation about all monotheist religions including Zoroastrian, Judaism, Christianity, Islam and Sikhism for a reader who is eager to...

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
