Barron s Educational Series, United States, 2013. Paperback. Book Condition: New. Nathan Reed (illustrator). 196 x 127 mm. Language: English . Brand New Book. Penguin Pandemonium is an uproarious mini-novel for kids in Barron s frantically funny, stupendously silly, and fun-filled Awesome Animals series. Kids will start laughing the moment they open this short, easy-to-read novel--and they ll keep on turning the pages to find out which new tricks these hilarious Penguins are getting ready to concoct next. Comical black-and-white cartoon-style illustrations appear on many pages to capture the story s zany spirit. All Awesome Animals novels are divided into chapters, so that boys and girls can put the books down when Mom calls them for dinner--though kids will want to pick these stories up again as soon as they can!.
