

Friend Raising: Building a Missionary Support Team That Lasts (Paperback)

By Betty Barnett

YWAM Publishing,U.S., United States, 2013. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Many Christians considering missionary service are more fearful of support raising than of being martyred on the mission field. Many, after having responded to God s call to missionary service, have struggled unsuccessfully to raise and maintain adequate support. However, thousands of others stand securely in God s provision, proving God over and over and finding Him faithful. Friend Raising brings together God s plan for missions support with principles proven in the field. The book focuses on the practical pillars of lasting support raising: intimacy in relationships, interdependence, mutual love and sharing, bearing one another s burdens, generosity, communication, and prayer with promises. In a world swamped by fund-raising hype and gimmicks, Betty Barnett presents a refreshing biblical alternative based on relationship.
