Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Interpreting the Secretary of the Interior s Standards for Rehabilitation, Vol. 3 Decisions presented in these bulletins are specific to the circumstances of the rehabilitations involved. They do not accumulate as precedent in the legal sense. The procedures for obtaining certifications of rehabilitation are explained in Title 36 of the Code of Federal Regulations, Part 67. These regulations control in the event of any inconsistency with these bulletins. The following ten Standards for Rehabilitation are used by the Secretary of the Interior to determine if a rehabilitation project qualifies as a certified rehabilitation pursuant to relevant sections of the Internal Revenue Code. The Standards comprise the sole regulatory basis for determining whether or not a rehabilitation is consistent with the historic character of the structure and where applicable the district in which it is located. (the Standards for Rehabilitation, first published in 1977, are undergoing revision as this volume goes to press. The revised text, however, will differ in relatively minor aspects only from the Standards that governed review of the projects discussed in this volume. These Standards are given below.)
