Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Thames & Hudson Ltd. Paperback. Book Condition: new. BRAND NEW, Henri Cartier-Bresson, Clement Cheroux, Henri Cartier-Bresson's photography came to define the 20th century. This book tells his life story through his images: all the major events from his youth to his death in 2004 are described, contextualized and analysed in the light of his photographic work. From his early encounters with the Surrealists, his film work and his experiences in the Second World War, to the development of his own personal aesthetic, the concept of the decisive moment, and the foundation of Magnum Photos, his influence on the world has been profound and unforgettable.
