BOOMER ON THE LEDGE (PAPERBACK)

Humoroutcasts Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you believe aging is grim? Something to tolerate while waiting for the reaper? Be prepared to challenge this assumption when you read Boomer on the Ledge(TM) Molly Stevens observed her grandsons discovering Christmas magic with an elf who monitored their behavior and reported it to Santa. As invasive as that seemed, she realized no one watches people in her age group unless scanning for signs of dementia. She felt invisible and needed validation. So she created a little doll whose daily surprises reminded her how being a boomer is both harrowing and hilarious. From the mundane to the sublime, let Boomer on the Ledge(TM) help you transform grim into grins while you explore the antics of an aging boomer.
