THE JEFFERSONIAN TRANSFORMATION (PAPERBACK)

The New York Review of Books, Inc, United States, 2006. Paperback. Condition: New. Main. Language: English . Brand New Book. A New York Review Books Original The ideal introduction and companion to Adams s massive and magisterial history of the administrations of Jefferson and Madison, presenting an indelible picture of America s startling rise to world power. The Jeffersonian Transformation presents a new selection from Adams s History, the first to bring together in one volume the opening and closing sections of the work, with an introduction by the historian and political commentator Garry Wills. The two sections of Adams s History included here present a bold picture of America before and after the Jeffersonian transformation. Together they define the scope and argument of the History as a whole, while raising still-provocative questions about the...
