Psychological factors is the first element of the successful development of your latent abilities. digging in power details. The executive summary people the lifetime must know the success psychological Introduction: The Psychology of Success on the basis of the have done a lot of experiments. summed up a basic law. so you know who you. When you see someone do something. summon a sense of whether there is an itch in your heart - I want to do it. when you accomplish something. whether your heart will be a pleasant pleased sense - I can also take it to do better. We always have this idea: Other people can succeed. why can not I? Such an evocation of sense and you will gradually move toward success. in this process. your emotions will be balanced; your potential will be developed. you The performance will be improved. Each of us has the advantages and disadvantages of the conventional wisdom people you have to try to be perfect. but in fact. this is a paradox - when people strive for perfection. you need energy and time to make up for shortcomings So. no time...
