Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. The lines we see on our palms carry a wealth of information about our relationship to the world. These lines are the very driving forces of our lives. Their position, origin, growth and development; their colour and tone; their form, shape and structure - all provide clues about our lives. We can learn a great deal about our psychological disposition, health and vocational aptitudes through palmistry. In this well organized and scientific presentation, the author proves that palmistry can be of immense value to counsellors, teachers, parents, professional palmists and all others who are keenly interested in the development of human personality. The book has been written and organized in a style that is accessible to beginners as well as advanced students of palmistry. Contents:-Part I : Nature and Scope of Palmistry Part II : Research in Palmistry Questionnaire to Study Hands for Research purposes Part III : Guidance and Counselling through Palmistry. Printed Pages: 256.
