

The Christian Family: A Biblical Perspective (Paperback)

By Dr Eugene Sherman

Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Christian Book This book is an eclectic study of some dimensions of the Christian Family. It is a Bible based analysis. This family is a monogamous union with at least one child. The father (husband) loves his wife (Eph. 5:25); provides substance for his family (Lk.11:11-13), and trains the child (Pr. 22:6). The wife respects/submits herself unto her husband (Eph. 5:22), is industrious in household chores and receives the blessing and praises of her children and husband (Pr. 31:28). She is, also, involved in the socialization training of the child/children. The child, as enjoined by the Bible, Children, obey your parents in the Lord; for this is right. (Eph. 5:1-3). Lastly, the children are to be brought up in the nurture and admonition of the Lord, a major responsibility of the father. (Eph.5:4).
