Live fast, fight hard and if you have to die, take as many of your enemies with you as you can. That is the Amazon credo and it was one Samia lived and died by. But today, in contemporary New Orleans, the immortal Amazon warrior is about to learn that there's a worse evil coming to slaughter mankind than she ever could have imagined. Meet Dev Peltier. A shapeshifter who has stood guard at the front of Sanctuary for almost two hundred years, he's seen it all so he thought. His enemies have just discovered a new source of power one that makes a mockery of anything faced to date. Now the war is on and it's up to Dev and Samia to guard ground zero. But in order to win, they will have to break the most cardinal of all rules and pray it doesn't unravel the universe as we know it. This item ships from multiple locations.
