

## Beginning Constitutional Law

Filesize: 9.18 MB

### **Reviews**

*It is one of the most popular publications. Sure, it really is engaging, still an interesting and amazing literature. Your life period will be changed the instant you finish reading this book.*

*(Abel O'Kon Sr.)*

## BEGINNING CONSTITUTIONAL LAW

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 2nd Revised edition. 234 x 156 mm. Language: English . Brand New Book. Whether you re new to higher education, coming to legal study for the first time or just wondering what Constitutional Law is all about, Beginning Constitutional Law is the ideal introduction to help you hit the ground running. Adopting a clear and simple approach with legal vocabulary explained in a detailed glossary available on the companion website, Nick Howard breaks the subject of constitutional law down using practical everyday examples to make it understandable for anyone, whatever their background. Diagrams and flowcharts simplify complex issues, important cases are identified and explained, and on-the- spot questions help you recognise potential issues or debates within the law so that you can contribute in classes with confidence. This second edition has been updated to keep up to date with developments both before and after the 2015 General Election as well as ongoing proposals for reform, including: \* The referendum on independence for Scotland, increased devolved powers and the continued threat of the break-up of the Union. \* Proposals to repeal the Human Rights Act 1998 and replace it with a British Bill of Rights. \* The in/out referendum on EU membership. \* Reform of the role and composition of the House of Lords. Beginning Constitutional Law is an ideal first introduction to the subject for LLB, GDL or ILEX and especially international students, those enrolled on distance learning courses or on other degree programmes.
