Reviews

The book is not difficult in read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.
(Valerie Heaney)

FAMOUS MEN OF MODERN TIMES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 170 pages. Dimensions: 10.0in. x 7.0in. x 0.4in. In *Famous Men of Modern Times*, author John Haaren introduces the birth of the modern era! Readers will meet the men responsible for shaping our recent foundations---such as Lorenzo de Medici, Christopher Columbus, Galileo, Newton, Napoleon, Gladstone, and George Washington---and experience the adventurous times through their eyes. With detailed black-and-white artwork and vibrant color illustrations, this easy-to-understand text correlates history with reading for an all-encompassing study. Haaren, who also wrote *Famous Men of Greece*, *Famous Men of Rome*, and *Famous Men of the Middle Ages*, was an American educator and historian. Haaren's father was German and his mother Irish. He studied under Prof. N. M. Butler at Columbia University, 1889-91, before becoming a teacher in New York. In 1907 he became Associate Superintendent of Schools in New York, increasing the number and efficiency of kindergartens and starting classes to teach English to foreigners. He was president of the department of pedagogy in the Brooklyn Institute. Haaren High School (which was located on 10th Avenue between 58th and 59th Streets in Manhattan) was named in his honor. The Charles B. J. Snyder-designed school which was initially DeWitt Clinton High School is now Haaren Hall on the campus of the John Jay College of Criminal Justice. This item ships from La Vergne, TN. Paperback.
