Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Brief History of Harrison County, Ohio I offer to you a history of your county and mine, and, in doing so, I do not hope to present a perfect picture of the growth and development of this county from its birth in the Wilderness to its present proud position among the rich and enlightened counties of the State of Ohio. I cannot hope to do more than rescue from oblivion and place in readable and consecutive form, such facts that it may contain, and trust that some one in the future may more adequately perform this task.
