

Free Accounting with Free Software (Paperback)

By Yogesh Patel

Skylark Publications (UK), United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a step by step visual guide that helps you organize your accounts without having to learn it all. Just select what you want to do from the list of tasks, see how it is done, complete the job, and put the book away. As a result, learn as you go! If you run a business or you are just starting out in business, SAVE THOUSANDS with the only book and free software you need. Accredited by the Institute for Accounting with Free Software, and also designated as a text book for all their qualifications in Bookkeeping, including the courses in association with the Oxford, Cambridge and RSA board, the book includes a sample IAB Question Paper showing how required tasks can be completed. The IAB has also officially acknowledged the book as a useful and cost effective tool in the pursuit of efficient financial management . The software compares with most commercial software offering extensive stock management, Uk PAYE, email shots etc. All for free!.

Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ida Herman**

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).

-- **Michale Shields**
