Critter Golf II: Chaos At Owl s Nest. Thomas, the Great Horned Owl, knew this year would be even more exciting. It simply had to be! Our four furry friends are smarter, more determined and constantly asking bigger questions. Finding answers to those wonderful questions is where most of the incredible chaos begins. As these critter kids have grown, so has their curiosity. Venture further out into Owl s Nest Golf Trail and feel their jaw dropping awe when they face their first water hole. You will laugh out loud one second. but beware!! Something may be lurking in the darkest shadows. When you can answer these puzzling questions you will learn to love the chaos, too! What is puddle jumping? Can these whiskered golf pals help the USGA and PGA speed up play? Is there any escape from wild hungry bobcats? What can trapped critters do when cornered by more than 25 advancing dogs? And, what IS that SMELL? Join the giggles but be prepared to grit your teeth and squirm a bit while you hope for their narrow escape. This tale may have started with a shared love of junior golf, but it has become something much bigger. It is a story of true friendship, which in itself is the biggest gift of all.
