Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

NEWER WILDERNESS

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Newer Wilderness, Roseanne Carrara, In Roseanne Carrara's "A Newer Wilderness", the world's rich and compelling past buckles and swells beneath our feet, and its abiding influence rises like geothermal steam into the present. Powerful voices from history and legend issue forth and mingle with our familiar, circadian surroundings. These poems serve to remind us that our future need not cost us our past, that our capacity for intellect need not diminish our basic humanity, and that civilisations need not be built at the expense of the natural environment in which they thrive.
