Circle of Light: Paranormal Fantasy (Paperback)

By Professor Bonnie Smith

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Cassandra Raven has an agile mind. She reads auras, sees visions, and rides streamers of light to explore the secrets of heaven with her dead friend Danny Begay. But the out-of-body riding unhinges Cass's balance and she's learned to guard her psyche better by keeping her feet solidly on the ground. This doesn't mean she can't enjoy the vivid glimpses her mind provides of the universe. She simply has to curtail the exotic means she uses to travel its boundaries. In Circle of Light, the farms, fields, and forests across Montana are exploding in flames. Grieving for dying creatures, Cass stumbles into a bizarre candle-burning ceremony on a tinder-dry mountainside. Suspicious of the teenage perpetrators, but with no time to defend herself, she's struck down by what everyone thinks is lightning. Only surviving because Danny intervenes, Cass warns that her attacker is a devil spirit bent on revenge for a past wrong; a monster wolf who has escaped the eternal veil and now possesses all the power he needs to destroy her home and family—not to mention...

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50% in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
