

## Mining Company Valuation in Ten Minutes (Paperback)

By Ashbee a Bakht

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The extractive resource industry has just passed through some very turbulent times, and although there is no shortage of billion dollar companies listed on the stock exchanges, there is definitely a shortage of information on how to properly value these mining corporations. This book became an Amazon BEST SELLER in the category of mining. In this book you will find easily digestible information about key valuation concepts, the role of resources and reserves, discover how to analyze a company s financial position, and you will learn how to read technical reports quickly and efficiently, to forecast and perform valuations--with practice in about ten minutes.
