Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Italy at Work; Her Renaissance in Design Today: Handbook In the text that follows, Meyrie Rogers has described the renaissance of Italian design today with acute and sympathetic understanding. Two prolonged periods of field study in Italy, superimposed on his background of intimate knowledge of the crafts involved, give him a unique qualification for this task. There is little that I could, or would care to, add to his analysis of the relationship that the contemporary products shown in Italy at Work bear to the historic arts out of which they have sprung, and I fully share his enthusiasm for this new and vital flowering of ancient Italian traditions. Meyrie Rogers survey, brief as it is, is so sound and comprehensive that it calls for nothing more than concurrence from me.
