Dover Publications Inc., United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Before Andrew and Jamie, there was N. C. Wyeth. The star student of Howard Pyle s Brandywine School, Newell Convers Wyeth (1882-1945) created more than 3,000 illustrations in the course of his career. This original full-color collection focuses on his most popular illustrations, featuring early works that date from 1910-30. More than 100 iconic images include scenes from `The Last of the Mohicans, The Mysterious Stranger, Robin Hood, Robinson Crusoe, Rip Van Winkle, The Boy s King Arthur, ` and other books. Wyeth s fame and greatest commercial success derived from his work for Scribners Illustrated Classics. Starting with the 1911 edition of `Treasure Island, ` the artist provided images for more than 25 volumes in the series. Many of those illustrations appear here, in a treasury of stirring, dramatic visions that captured the imaginations of the storybook readers of a century ago and continue to speak to modern audiences.
