Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book has been revised in 2017 to contain more medical/psychological information with links to great websites containing enabling, alcohol, and drug addiction information. It contains information about how an enabler's actions/behavior impacts an addict. It also has true stories, alternating between an addict's story and an enabler's story. The stories show how addicts and enablers think as they approach the problem of addictions. Hopefully, through these stories, enablers can see how a person can inadvertently enable an addict to spiral further down into their addiction due to being helped too much. They also show how enablers can get hurt trying to aid an addict.
