BC Weather Book: From the Sunshine Coast to Storm Mountain (Paperback)

By Keith Heidorn

Fifth House Publishers, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. The everything-you-wanted-to-know-about-the-weather-in-BC-but-didn-t-know-who-(or-were-afraid-to!) to-ask book. Don't like the weather? Move a little further inland, closer to the coast, or to the other side of the mountain. That's sound advice for any BC resident because the climate of the province is one of the most complex in Canada, often changing dramatically in the space of just a few kilometres. From the Sunshine Coast to Storm Mountain delves into the wonderful world of BC weather, which includes some of Canada's wettest, driest, hottest, and coldest conditions, and everything in between. Author Keith Heidorn takes readers from dripping coastal rainforests to blazing deserts as he explains the fascinating science behind the BC climate and how it affects the nature of life in BC. Featuring up-to-date BC weather facts and statistics and over fifty maps, graphs, and diagrams, this book will delight anyone seeking easy-to-understand explanations of BC weather origins, influences, and phenomena. From the Sunshine Coast to Storm Mountain also tells the BC weather stories that made history and includes archival photographs of these significant events.

Reviews

Simply no words to spell out. It can be really fascinating through studying period of time. You will not really feel monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- **Dr. Isabella Turner**

A high quality book as well as the font applied was exciting to read through. This can be for all those who state there was not a well worth looking at. I discovered this ebook from my i and dad recommended this ebook to find out.
