By George E Fisher

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Rev. Mr. Fisher s Discourse on the Church, the Ministry, and Slavery This Discourse goes before the public, not because it is thought to be worthy of publicity, but in consequence of an unpleasant excitement of which its delivery has been the occasion. The Discourse is as it as originally, with the exception of a few verbal changes, and now and then an additional, illustrative remark. None of its sentiments have been changed, none have been added, and none subtracted. In the delivery, a few remarks were made extemporaneously, which have passed from the author s memory, and which therefore do not appear. But the sermon is the same, and is now left to speak for itself, and to be approved or condemned, according to the different standards of feeling and action which obtain in the community, upon the questions herein discussed.
