Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I wrote this in 2005 for my Scriptwriting course while working on my Associates degree. This script was inspired by some true events. The characters in the script are fictional. It is a known fact that when some preachers do not get the title, status, or position that they want in a ministry, they leave and go elsewhere. Even to the point they pay for the title or position that they want and start their own reformation. If preachers are servant leaders, why can't they just work together as a team? I was always told growing up If you are a leader and no one is following you, you are just a man taking a walk We need unity in the church not division. It is my hope that one day all foolery over status will diminish and focus on souls. All this other stuff is a distraction to the saints. It is really all about Jesus and only what we do for him will last!.
