Tantor Media, Inc, United States, 2015. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. One night was all it took.one night to ruin everything I thought I knew. From the outside, I had the perfect lifestyle. Wealthy fiance, blossoming career, amazing friends. I wasn t looking to get married yet, but when William- Manhattan s royalty -charmed his way into my life, I couldn t deny the security and comfort that overcame me. To society, I was the girl only after his money. I was the party-goer who managed to seduce a man twice my age to have the lifestyle some could only dream of. I was every magazine s cliché of what a gold-digging whore was. I wanted to prove them wrong-that our love was real and that I wasn t that girl. But then everything changed. One wrong decision. One unfaithful night. One haunting reality. Perhaps they were right. Contains mature themes.
