

How Snakes and Other Animals Taste the Air (Hardback)

By Kristen Rajczak

PowerKids Press, United States, 2015. Hardback. Book Condition: New. 231 x 150 mm. Language: English . Brand New Book. Snakes are often seen with their tongue sticking out. Theyre not being rude; theyre tasting the air! Snakes use their tongue to sense the world around them. Readers discover this and more as they explore fun facts about snake senses. They also learn about other animals that taste the air, including a variety of lizards. Readers are presented with a helpful graphic organizer as well as bright, detailed photographs of these animals in their natural habitat. The engaging text and colorful photographs present science curriculum topics in a way that will keep readers entertained as theyre learning new things with each turn of the page.
