HERB GARDENING: HOW TO HARVEST AND PRESERVE YOUR HERBS (PAPERBACK)

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you are someone that really enjoys using fresh herbs in your meals that you prepare, then why not save yourself time and money by growing your own fresh herbs at home either indoors or outside. You might be thinking I live in an apartment or that you do not have the room to grow a garden. Well in this book you will get tips and suggestions on herbs to grow along with fifteen creative ways that you can grow your fresh herbs using a minimal amount of space. Imagine how nice it will be for you and your loved ones to have a supply of fresh herbs within your reach. We all know how they are very healthy and offer many health benefits, however many of us are more attracted to herbs just because we love the flavor or taste they give or add to our foods. Whatever your reasons are the bottom-line is that your fresh herbs will definitely add some wonderful flavor to your life! Growing your own herbs is also going to save you the trip and expense of going to the grocery store to pick them up, often waiting in long line-ups to pay for them. Another wonderful bonus to growing your own herbs is the healthy fact that they will be organic, chemical-free! We all know how expensive organic foods are at the grocery stores. Think of how nice it will be to offer your loved ones foods that you know have organic herbs added to them. This will certainly make you feel better about what you are feeding yourself and your loved ones. This is a great book that guides you with ease into...
