

Frozen Air (Paperback)

By Andrew Ray

Andrew Ray, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. At the edge of England the land ends suddenly in high chalk cliffs. From the beach at Cuckmere Haven, they stand like frozen air, silent above the waves that are gradually undermining them. Here the landscape seems timeless, reduced to its basic elements: rock, water, air and sunlight. But the cliffs have a remarkable history and an uncertain future. They continue to inspire painters and composers, photographers and filmmakers, poets and nature writers. In this sequence of linked texts and photographs, Andrew Ray explores the Seven Sisters to consider the meaning of this extraordinary landscape.
