IN A DARK TIME (PAPERBACK)

SIMON SCHUSTER, United States, 1998. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.A powerful voice in contemporary American fiction, Larry Watson is the award-winning author of *Montana 1948*, hailed as a work of art (*San Francisco Chronicle*), and *White Crosses*, praised as one of the most irresistible novels of the year (*The Globe and Mail*). In this, his debut novel, Watson explores the themes that established him as a master protracer of small-town America. Another female student has been found strangled the body count is up to three, and everyone suspects there will be more. But for Peter, a reticent teacher at Minnesota's Wanekia High School, his own morbid fascination with the murders haunts him more than the morning headlines. Keeping a detailed journal of his community's action and his own Peter discovers a disturbing ambivalence toward violence in the midst of uncommonly savage acts. A taut suspense novel that is at once compelling and thought-provoking, *In a Dark Time* ingeniously explores our culture's complex relationship with violence and paints a vivid portrait of America too often color-blind to the bloody hues that tinge its landscape.
