Pearson Education (US), United States, 2015. Paperback. Book Condition: New. 11th Revised edition. 234 x 188 mm. Language: English . Brand New Book. Note: This is the bound book only and does not include access to MyCounselingLab(R) with Pearson eText. To order MyCounselingLab(R) with Pearson eText packaged with the bound book, use ISBN 0134270657. Here is a comprehensive, authoritative look at the day-to-day, nuts and bolts responsibilities of the career counselor from a global perspective, or a one-world economy approach to the issues. In it, theory integrates with practice through the use of case studies and examples that bring the concepts to life. Written by a leading expert in the field and long recognized as a leading book in the field, Career Information, Career Counseling and Career Development allows readers to sample the broad array of career options that exist in the field, understand and deal effectively with the rapid changes in technology-and how those changes can be used to foster career development and contribute to the assessment process, understand more fully the relationship of theory and practice, and relate more sensitively with clients regarding their age, gender, race, ethnic group, or sexual orientation. Also available with MyCounselingLab(R) This title is also available with MyCounselingLab-an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through video clips, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes.
