TRUSTING YOU (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I had a plan. Go to college, get good grades, start fresh. I knew I d have a clean slate, and I could be anyone. I was right on track until I spent the summer with my roommate, Emma. Aaron Sutter was everything I told myself to stay away from. a player, smooth talker, and sexy as hell. He was not part of the plan. Girls fought for just a minute of his attention, and would pretty much do anything to get it. I swore I would never be one of them, but Aaron and my heart had other plans. It s funny how the heart works. It doesn t see the pain coming its way. It doesn t understand that one moment could change everything. One crack could destroy the very foundation that it s balancing on. Aaron was that crack for me. He pushed inside, wrapping himself around my soul and never letting go. I wanted to let him in, but was he ready for the past I worked so hard to escape from? Trusting you is the second book in The Sutter Family series. ***This book contains profanity and graphic sexual encounters. It may not be suited for readers under 17 years of age.
