## REPENTANT REMNANT S TENETS (PAPERBACK)

Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In my Book, Repentant Remnant s Tenets, I try to make spiritual applications to real life stories that I experienced as a Physician Assistant in State Prison. One such story was as follows: . One particular day, a certain inmate, with a huge stature, came into the Dispensary upset about something, and I assumed he thought I was about to give him an injection. He stood by the door of my office, glaring at me with a look of malice. I, somewhat fragile, did not want to tangle with this giant, even with Health Insurance! So, like a rehearsed movement in a cowboy shootout drama, I pushed the Goonie Button under my desk. The Goonie Button is to alert many other Security Guards to an emergency need. At least one-half dozen guards responded quickly and upon seeing this giant inmate became timid; even with the paper tiger guards, the involved inmate calmed down. I believe the inmate felt sorry for such uncharacteristically wimpy guards! A spiritual application, such as I Thessalonians 1:6-7, is that we may receive the Word in much affliction. So, as I was a Spiritual Prisoner without Christ among many questionable spiritual allegiances, my afflictions led me to Christ, prayerfully, as it will you! GOD BLESS Sincerely, W. M. P.
