iUniverse, Inc. Paperback. Book Condition: New. Paperback. 250 pages. Dimensions: 9.1in. x 6.1in. x 0.7in. If we know much of how life was in the history of mankind-we know if one was rich or famous; how about for the average person? In Moonstones, you can visit a gypsy camp while trying to wrest your friend's baby from their clutches, travel through perilous country when rescuing your grandmother when you are but a 10-year-old girl; wake up (after an evening of debauchery) in a Roman graveyard next to a wise old gnome with leprosy; defend home and family from marauding savages before the days of police or fire departments, sail a schooner to faraway places when you are but a 14-year-old boy, wait for your crusader fiancé to return for 15 years, making the best use of your time and talent, learn to accept differences in your children before it is too late, learn to love someone quite ugly to your eyes, leave all your earthly comforts behind to move your family to the wilderness amongst Indians and wild animals and other adventures. These are some of my past lives and I am grateful to recall so much; Thank you, power that is. And so it is. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
