

The Ethical Butcher: How to Eat Meat in a Responsible and Sustainable Way

Filesize: 1.19 MB

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

THE ETHICAL BUTCHER: HOW TO EAT MEAT IN A RESPONSIBLE AND SUSTAINABLE WAY

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. America is in the midst of a meat zeitgeist. Butchers have emerged as the rock stars of the culinary world, and cozy gastropubs serving up pork belly, lamb burgers, and sweetbreads rule the restaurant scene. In New York, the humble meatball enjoys entre status from upscale Gramercy Tavern to newcomer The Meatball Shop. Across the country in San Francisco, savvy chefs flock to hip meat markets like The Fatted Calf. If butchers are our new rock stars, then Berlin Reed is their front man. Berlin Reed is *The Ethical Butcher*, a former self-described militant vegan punk who grudgingly took a job as a butcher s apprentice in Brooklyn when he could find no other work. Shockingly, he fell in love with the art of butchering, and a food revolution was born. Along the way he saw how corporate greed, unsustainable food practices, and outright misinformation gave birth to such falsities as the USDA label organic and the conglomerate of eco-friendly supermarkets. Most people, even those that try to be healthy and green, are not really eating what they think they are eating. *The Ethical Butcher* will shine a light on these untruths and show a better way towards food justice and the sustainable living of a mindful omnivore. Through the lens of Berlin s personal story, *The Ethical Butcher* educates listeners about how they can improve the meat industry by participating in it. It s a memoir in cuts and Berlin s return to eating meat illustrates for listeners and foodies alike how they can change the meat industry by making better choices.
