

## This Orq. (He say UGH!) (Hardback)

By David Elliott

Boyd's Mills Press, United States, 2015. Hardback. Condition: New. Lori Nichols (illustrator). Language: English . Brand New Book. This companion to This Orq. (He Cave Boy.) pits Orq and Woma against a couple of stone-age bullies. Dorq is big, strong, and mean .and his pet, Caba, is even worse. But when Caba smashes a giant egg on Woma, Orq is so incensed he bangs two rocks together over and over, creating a spark. Like all good scientists, Orq recognizes an important discovery when he sees it. As he raises a flaming torch triumphantly, Dorq and Caba flee. Small Orq is the inventor of fire--and is a hero to his beloved Woma. An ode to the power of standing up for oneself, this book is the perfect antidote for any child who has ever felt small.
