

Understanding Communication in Second Language Classrooms (Paperback)

By Karen E. Johnson

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 1995. Paperback. Condition: New. Language: English . Brand New Book. An integrated view of communication in second language classrooms that acknowledges the importance of what teachers and students bring to the class environment. Drawing on actual classroom transcripts from a range of instructional settings, Johnson constructs a conceptual framework through which teachers can recognize how patterns of classroom communication are established and maintained, how these patterns affect students participation in classroom events, and how their participation shapes the ways they use language for learning and their opportunities for second language acquisition. Relevant research is presented from the areas of classroom discourse, language in communities, teacher cognition, classroom learning, and second language acquisition.

Reviews

The ebook is straightforward in study better to fully grasp. It is actually loaded with knowledge and wisdom I am just delighted to tell you that here is the best pdf i have read through during my very own lifestyle and may be he greatest ebook for at any time.

-- **Dr. Karelle Glover**

Great electronic book and useful one. It can be writer in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
