University Press of Kansas, United States, 2002. Paperback. Condition: New. New. Language: English . Brand New Book. Public administration as an American profession originated in the early twentieth century with urban reformers advocating the application of scientific and business practices to rehabilitate corrupt city governments. That approach transformed governance in the United States but also guaranteed recurrent debate over the proper role of public administrators, who must balance the often contradictory demands of efficiency and politically defined notions of the public good. Currently the business approach holds sway. Legitimated by Al Gore's National Performance Review, the New Public Management movement promotes entrepreneurs over civil servants, performance over process, decentralization over centralization, and flexibility over rules. John Rohr demurs, arguing that the movement goes too far in downplaying the distinctively American challenges arising from the separated powers principle. Consequently, the NPM alienates public management from its natural home - a nation-state established within a constitutional order. According to Rohr, nothing is more fundamental to governance than a constitution; and therefore to stress the constitutional character of administration is to establish the proper role of administration as governance that includes management but transcends it as well. This is not a novel argument for Rohr, who was recognized in 1999 by the Louis Brownlow Committee of the National Academy of Public Administration for his lifetime contributions on the constitutional underpinnings of public administration. But this new version of his rule-of-law critique directly addresses the NPM's excesses, framed convincingly as a comparative study of cases found in four countries spanning three centuries. The first half of the book examines the linkages between constitutions and administrations in France, the United Kingdom, and Canada. The second half of the book examines American cases in three categories: separation of powers, individual rights, and federalism. American...
