### ***Reviews***

*The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basiclly changed me, change the way in my opinion.*

Archway Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 1980, a family of twelve--two parents and ten children--leaves the comfort of their home from Timisoara, Romania, crossing many borders to arrive in United States of America. A Year s Journey offers a moment-by-moment account of the family s flight from their homeland across open fields and numerous borders to attain their freedom. The voyage begins with catastrophe. The family loses their home to fire and finds their prospects for regaining stability bleak. To leave communist Romania at that time, they must walk by night to avoid traps and border patrol and make their way to Yugoslavia, where their fate remains uncertain. They consider moving to Australia but are determined not to separate their large family, which proves to be difficult to place together. Even so, some of the older children are sent abroad to Canada and Australia. The embassies of Yugoslavia and Austria, along with other refugee families, assist them through their travels until they finally arrive in the United States, where they await for the whole family to be reunited. Sharing a harrowing personal narrative, this memoir tells the story of one family s emigration from Cold War-era Romania to the United States.
