Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Irrelevant. Insignificant. Inconsequential. Three pointed words designed to break down a person s self-confidence. To strip away any sense of worth until all that s left is a shell of the person they wish to be. Sometimes, courage comes in the form of enduring endless pain and suffering; sometimes, bravery can blind you from the truth. What would you do if you were trapped? Unable to break free of the bindings of shame and rejection? For Maisie Pierce, finding herself in a world that has done nothing but betray her has proved almost impossible. Until him. Ridge Buchanan doesn t have time for love or any kind of a committed relationship. With putting everything he has into making his private security business a success, finding a woman is the last thing he wants or needs. Until her. Two broken souls not searching for each other. A lost woman desperate to escape the constraints of her past. A bitter man resigned to living a life of empty one-night stands and meaningless connections. A volatile, dark cloud looming over both of them. When faced with a chance at happiness after a life filled with disappointments, can they be the beacon of hope each other needs? Or are they destined to forever live a life of misery and regret? Warning: Contains graphic and violent situations that may cause triggers. Recommended for readers 18 or older.
