Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Cleveland The father would often trade with his boys, dicker and bargain with them as he would with grown men, seeking always to instil into them the truth that self-reliance was the best help for anyone. They knew how to milk cows, take care of the chickens and other fowls, how to harness and drive horses, and feed and clean them. Mr. Rockefeller would lend sums of money to his son John, which the boy used to invest;-yet at times, as a test of resourcefulness, the father would suddenly demand his own, and the boy always managed to pay him back on demand. With all their work and trading the boys still had time enough for a healthy amount of play. They swam and fished in beautiful Owasco Lake, and when the family removed to a home three miles above Owego, New York, they lived near the right bank of the Susquehanna River in its most fascinating windings among the green hills of Tioga County, and the boys had a beautiful country to work and play in.
