BUSINESS ETHICS (SPEEDY STUDY GUIDE)

Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.There are two ways in which a Business Ethics Study Guide can help. The first is in preparing for an exam. The second is in answering questions and resolving dilemmas when you are out working. A Business Ethics Study is not an all-inclusive guide to business ethics, but it encapsulates the highlights of ethical practice that are commonly studied. It can serve as a resource for exam preparation, allowing you to focus on the context and framework of ethics covered during your study. It can also act as a resource to guide later decisions in your career by being a quick reference to ethical practices.
