

Using Moodle: Teaching with the Popular Open Source Course Management System (Paperback)

By Jason Cole

O Reilly Media, Inc, USA, United States, 2007. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Using Moodle is a complete, hands-on guide for instructors learning how to use Moodle, the popular course management system (CMS) that enables remote web-based learning and supplements traditional classroom learning. Updated for the latest version, this new edition explains exactly how Moodle works by offering plenty of examples, screenshots and best practices for its many features and plug-in modules. Moodle gives teachers and trainers a powerful set of web-based tools for a flexible array of activities, including assignments, forums, journals, quizzes, surveys, chat rooms, and workshops. This book is not just a how-to manual. Every chapter includes suggestions and case studies for using Moodle effectively. By itself, Moodle won t make your course better. Only by applying effective educational practices can you truly leverage its power. With this book, you will: * Get a complete overview CMS in general and Moodle in particular. Review Moodle s basic interface and learn to start a course. * Learn to add Moodle tools to your course, and how different tools allow you to give quizzes and assignments, write journals, create pathed lessons, collaboratively develop...
