This book is designed to help those people allergic to gluten (wheat, barley, oats, rye and malt). Not to mention gluten-free drugs and medications are listed in this book. With this being resource book, it may seem hard to imagine when you will actually use it. However, let s say your family is on vacation and you don t know which grocery store has gluten-free items. You open the book, turn to gluten-free groceries stores, and find the one closest to you. Perhaps you travel for business and you need to find a restaurant to have your meeting, but one of your clients is allergic to gluten. Grab the book and now you have choices!
