Adam Cruz has spent the last twelve years of his life wondering if he d ever find his truemate. All he wants is to find his truemate and settle down, even though he wonders if his mate will care about his scars, or that he can t hunt as well as other wolves because of them. As the only reindeer shifter in a bear den, Dancer Grayson knows what it s like not to fit in. When she runs into her truemate in the woods of Wilde Creek, she discovers that she fits right in with him. Adam s not ashamed to have prey as a mate, and she s not ashamed of his scars. Together, she s certain they can survive anything. When Adam s gambling-addict dad hits him up for money and Adam refuses, his dad does the unthinkable, and Dani ends up kidnapped. What the kidnappers don t count on is that there isn t just a wolf pack looking for Dani, but her own kind. Can Adam get to her before she s harmed, or will she be lost to him forever?.
