Reviews

This ebook will not be simple to start on reading but very fun to learn. It generally is not going to expense too much. I am very happy to explain how this is the finest book i have read in my very own existence and can be he finest pdf for at any time.

Pan MacMillan, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Twelve-year-old Mira comes from a chaotic, artistic and outspoken family where it s not always easy to be heard. As her beloved Nana Josie s health declines, Mira begins to discover the secrets of those around her, and also starts to keep some of her own. She is drawn to mysterious Jide, a boy who is clearly hiding a troubled past and has grown hardened layers - like those of an artichoke - around his heart. As Mira is experiencing grief for the first time, she is also discovering the wondrous and often mystical world around her. An incredibly insightful, honest novel exploring the delicate balance, and often injustice, of life and death - but at its heart is a celebration of friendship, culture - and life. Winner of the 2011 Waterstone s Children s Book Prize.
