Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An impression prevails in this country that for many years past the Red men of the American Continent have represented a subdued and generally deteriorated race. No idea can be more erroneous. Debased, to a certain extent, they may have become, thanks to drink and other blessings of civilisation; but that the warrior-spirit, imbuing at any rate the more powerful tribes, is crushed, or that a semi-civilising process has availed to render them other than formidable and dangerous foes, let the stirring annals of Western frontier colonisation for the last half-century in general, and the Sioux rising of barely a year ago in particular, speak for themselves.
