

## The Gothic Girl (Paperback)

By Xavier P

Palibrio, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mayra is a different gothic girl who returns to her country trying to elude with it the ghost of her best friend who torments her. The point is that comes to a place that despite being a city, most of its inhabitants are dressed in denim clothing. The novel is inspired by the life of a real girl who belonged to such style and is narrated differently like some facts occurred, and others that probably would have passed, if there was existed will. I think the details that are told not differ much from the behavior of people or their imaginations. Although I know that this behavior of fantasy and poetry is not exclusive to them, I think most of them manifest more sensitivity to the things that surround them. I would like that to better understand the novel; reference is made to the details mentioned at the time they are indicated. This English version has been improved in its wording and added some changes in content. Thank you for your attention and I hope you enjoy it.
