NO MORE POCKET CHANGE (PAPERBACK)

Pride Company, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Seeking the truth is harder than they thought. Jenson is an anxious wolf, resigned to the fact that he ll stay a loner forever, with no pack to his name and no mate, either. In a last-ditch attempt to find his beloved, he joins a dating agency. A few messages come through, none of them from a potential lifelong partner, but one note has the hairs on the back of his neck standing on end. He s been asked to help in finding a local Alpha and, bound by wolf law, he has no choice but to offer his services. Damien belongs to a small pack, and he s desperate to track down their Alpha, who went missing in mysterious circumstances. The Alpha s scent disappeared on the edge of pack property--meaning only one thing. His scent had been shrouded by a creature that is a wolf s sworn enemy, and getting their Alpha back will be nigh on impossible. It isn t just the enemy creature who must be feared, though. Members of the pack are keeping secrets--secrets that could solve the mystery of the Alpha s disappearance if only they d open their mouths and tell all. But no one s saying anything, and it s up to Jenson and Damien to seek the truth and bring the Alpha back home. But with so many people telling lies, it s difficult to know who to trust, and as the rescue mission gets in full swing, more twists and turns arrive in their path, hampering their way and clouding their vision. But Jenson and Damien know that as long as they re together, they can do anything. Even killing if they have to.
