HOW I KILLED MY MOTHER-IN-LAW (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mother-in-law Vs. the son-in-law. It is the classic comedic adversaries hard at work in this dark comedy by Jack Batcher. The stage is set for murder in protagonist Dean Farlowe s stand-up comedy routine, as he laments his toxic relationship with his evil foe. his mother-in-law, who he affectionately refers to as Satan in a Moo-Moo. Dean Farlowe tells of the frustrating events that led up to the fateful night when his thoughts took action, and at a comedy night at Riverhead Prison, he tells his captive audience how he killed his mother-in-law. A great book for Son-in-laws (Daughter-in-laws) to be, or for those suffering already. This book also serves as a potent warning to mother-in-laws too! Just leave it out on the coffee table next time they come for a visit, or even better, let them see you reading it, while laughing manically at Dean Farlowe s jokes! So if it s a gift for someone else or gift for yourself, get your copy today!.
